

## **WORLD INNOVATION SUMMIT FOR EDUCATION ANNOUNCES DATES FOR FLAGSHIP 2019 SUMMIT**

**Doha, Qatar, February 4, 2019:** The World Innovation Summit for Education (WISE), an initiative of Qatar Foundation (QF), has announced the dates for the next edition of its flagship biennial Summit, which will take place from November 19-21, 2019, in Doha, Qatar.

The biennial WISE Summit brings together more than 2,000 thought leaders, decision makers, and practitioners from a variety of sectors around the world – including business, politics, civil society, and media – to contribute to shaping the future of global education. Past keynote speakers at the WISE Summit include then-US First Lady Michelle Obama, former UK Prime Minister the Rt Hon Gordon Brown; former Australian Prime Minister Julia Gillard; and His Excellency António Guterres, Secretary-General of the United Nations.

WISE was established in 2009 as an international, multi-sectoral platform for creative thinking, debate and purposeful action. The initiative's programs, research, and advocacy work offers the global education community a unique opportunity to meet, share, and grow innovative practices that address pressing challenges in the sphere of education.

### **Qatar Foundation – Unlocking Human Potential**

Qatar Foundation for Education, Science and Community Development (QF) is a non-profit organization that supports Qatar on its journey to becoming a diversified and sustainable economy. QF strives to serve the people of Qatar and beyond by providing specialized programs across its innovation-focused ecosystem of education, science and research, and community development.

QF was founded in 1995 by His Highness Sheikh Hamad bin Khalifa Al Thani, the Father Amir, and Her Highness Sheikha Moza bint Nasser, who shared the vision to provide Qatar with quality education. Today, QF's world-class education system offers lifelong learning opportunities to community members as young as six months through to doctoral level, enabling graduates to thrive in a global environment and contribute to the nation's development.

QF is also creating a multidisciplinary innovation hub in Qatar, where homegrown researchers are working to address local and global challenges. By promoting a culture of lifelong learning and fostering social engagement through programs that embody Qatari culture, QF is committed to empowering the local community and contributing to a better world for all.
