

Reinventing Leadership within Higher Education in order to Build Resilience – a more rapid shift towards systemic leadership.

- A Course Director's Perspective

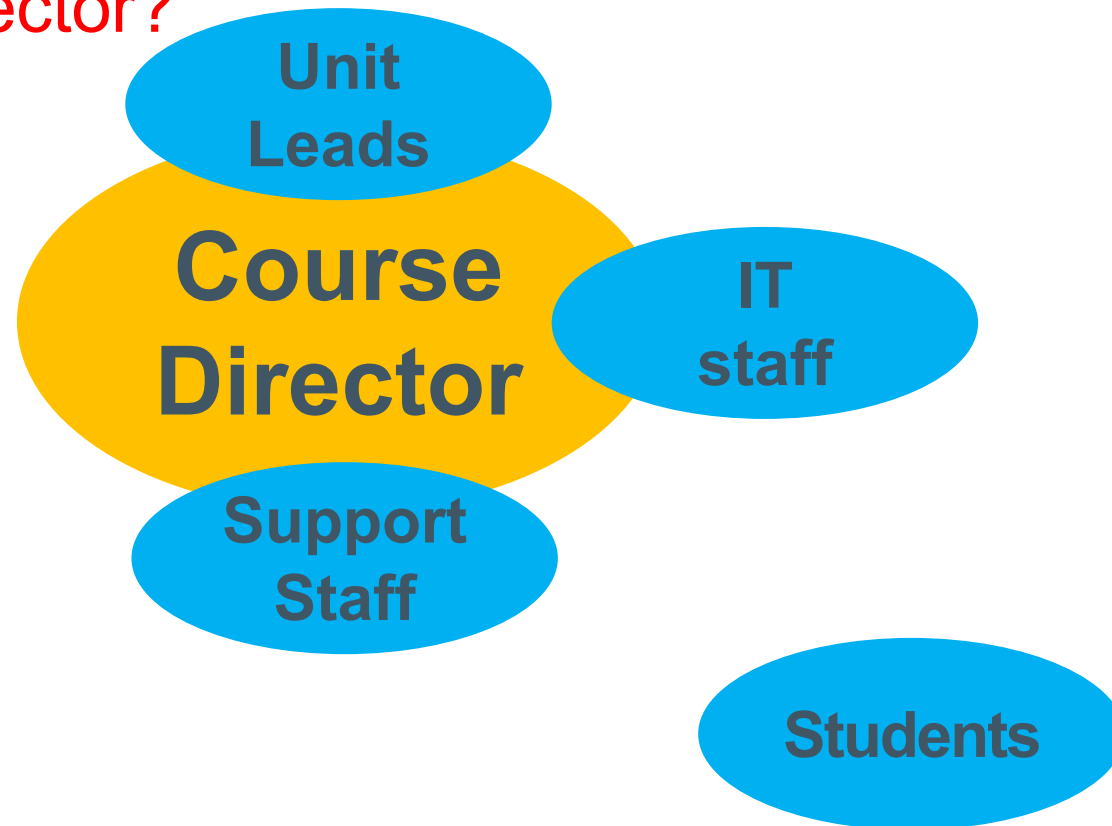

What sort of leader is the
“**classic**” Course Director?

Reinventing Leadership within Higher Education in order to Build Resilience – a more rapid shift towards systemic leadership.

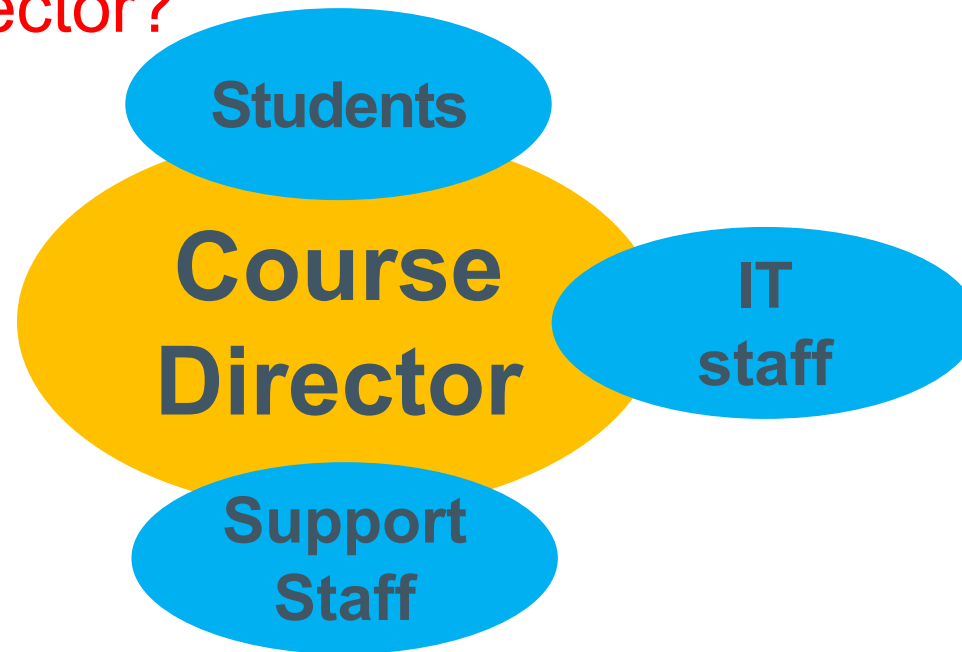

– A Course Director's Perspective

What sort of leader is the
“**COVID-19**” Course Director?

Reinventing Leadership within Higher Education in order to Build Resilience – a more rapid shift towards systemic leadership.
– A Course Director's Perspective

What sort of leader is the
“**COVID-19**” Course Director?

So what of the future?

Collective Input

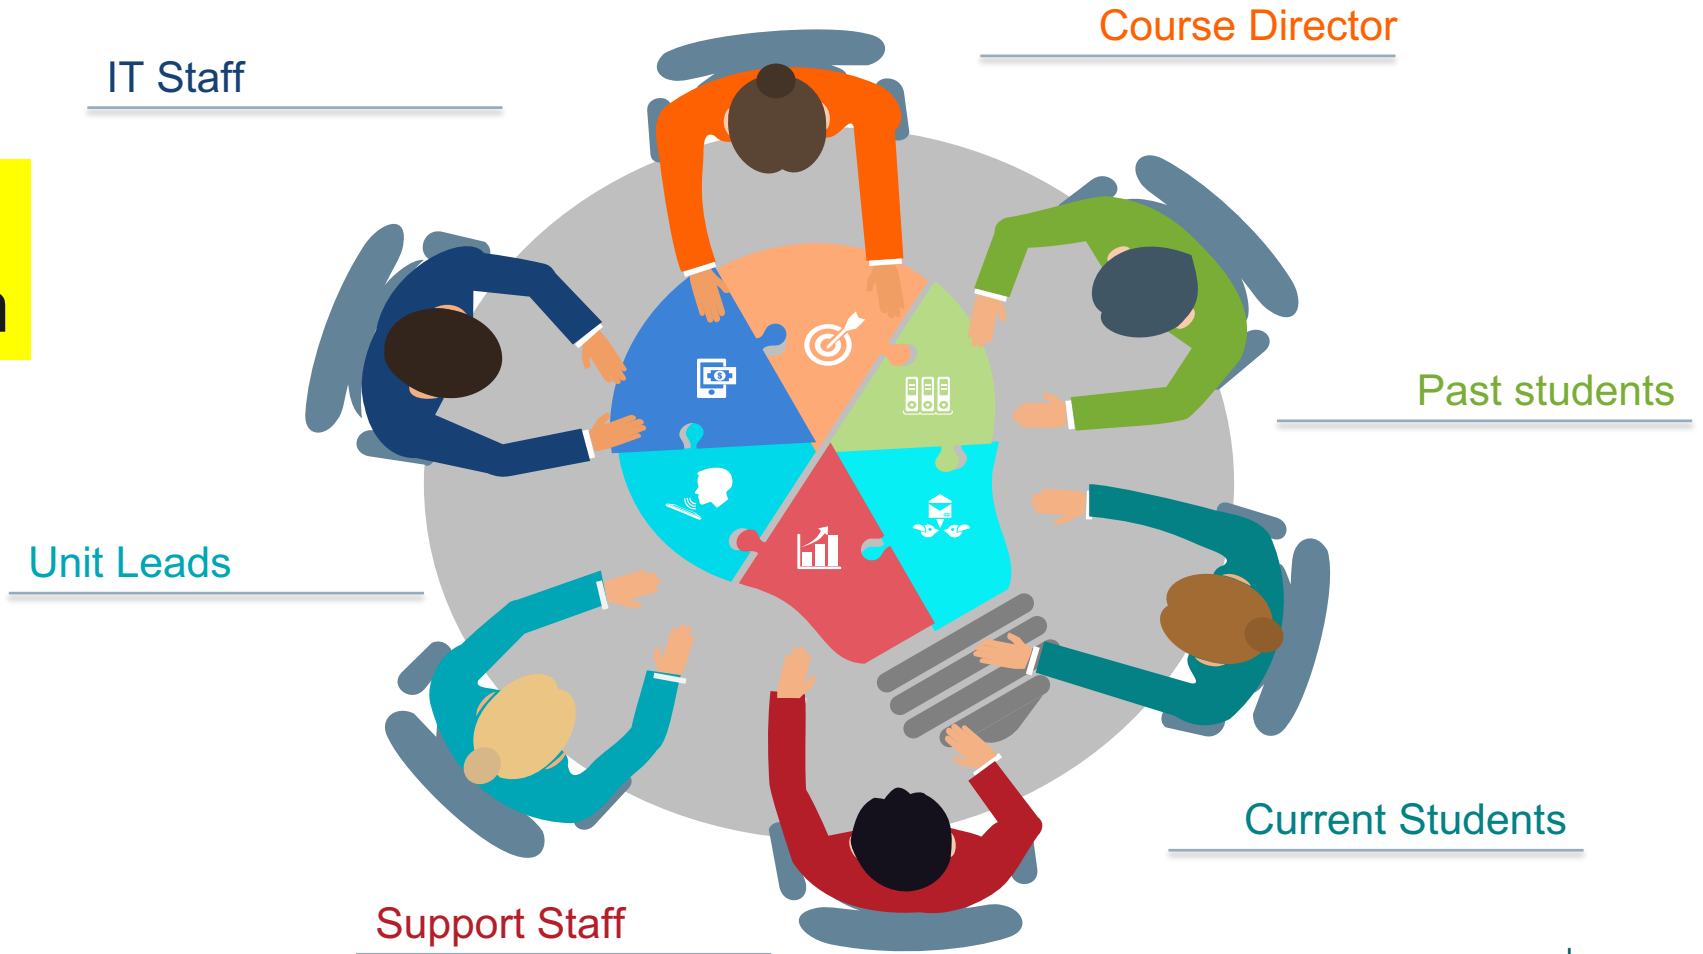

**A pilot
program**

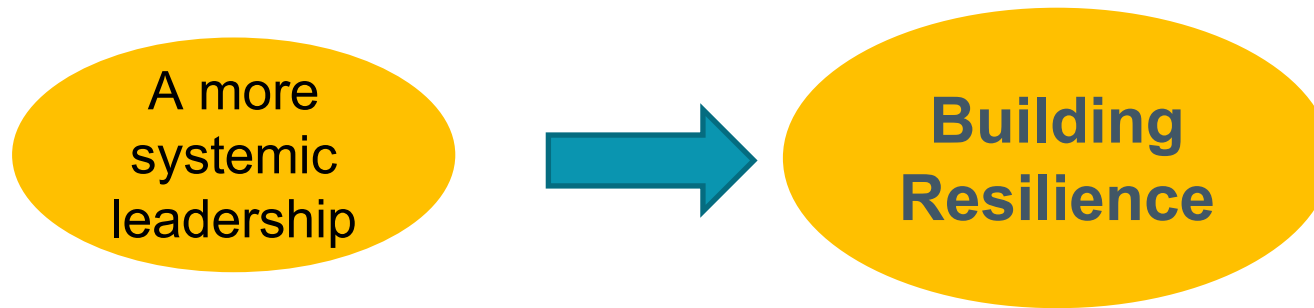

So what of the future?

Collective Input

**A pilot
program**

So do we need to reinvent leadership
to build resilience OR do we work on
what we already have?

So do we need to reinvent leadership to build resilience OR do we work on what we already have?
